SILKBALANCE HOT TUB WATER CARE

604-551-1609
SILKBALANCE.COM

SilkBalance is a unique and patented natural hot tub water conditioner that maintains water balance, enhances water clarity and provides a soothing, silky feel to the skin in one easy-to-use formula for every hot tub and salt system.

- Unparalleled softness: Skin and water feel pure and fresh.
- Balanced water: Maintain pH and alkalinity easily with no daily hassle.
- Maximize sanitizer: Reduce chemical usage. Salt cartridges last longer; chlorine and bromine work better.
- Natural: Reduce chemicals, extend spa water life, lower environmental impact and save water.
- Protection: Shield from harsh chemicals and prevent spa erosion.
- Prevention: Stop slime and sludge before they build up.
